About EIPBN

The International Conference on Electron, Ion, and Photon Beam Technology and Nanofabrication (EIPBN), affectionately known as “3-Beams,” is the premier gathering of scientists and engineers who are dedicated to electron, ion and photon lithography, imaging, and analysis; atomically precise fabrication; nanofabrication process technologies; related emerging technologies; and their applications in a broad spectrum of fields. This is the 69th meeting of the EIPBN, where top researchers from academia, government laboratories, and industry from around the world meet to present and discuss recent trends and future directions in these technologies.

Commercial Session Highlights

- A forum to reach more current and future customers
- Over six hours of attendee engagement through dynamic interactions
- Prominent display of your company logo on our conference website
- Integrated exhibition and poster sessions
- Commercial session talks
- Industrial session presentation opportunities
- Directed booth traffic
- Branding and promotional opportunities to increase visibility and attendee interactions
- Support next generation workforce via the industrial student fellowship

The 2026 EIPBN commercial session runs from Tuesday, May 26th, to Thursday, May 28th, 2026, and provides an outstanding opportunity to meet and interact with top scientists and engineers in fields ranging from biological and chemical sciences to nanoelectronics.

Attendance

The average attendance between 2012-2019 has been 430, spanning over 20 countries comprising 70% from North America, 15% from Europe, 13% from Asia, and the remaining from other countries. 60% of our attendees come from **academia**, with 25% from **industry** and 15% from **government labs**.

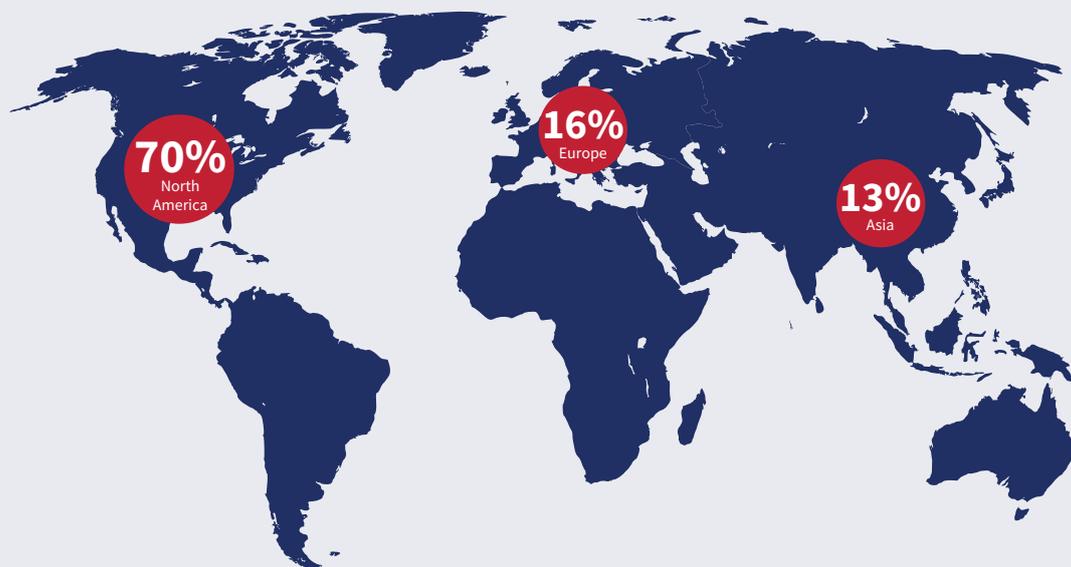

25%
Industry

60%
Academia

15%
Government

The commercial session at EIPBN is an excellent opportunity to **foster existing alliances**, **promote new businesses**, **reconnect with existing customers**, **generate new leads**, and **interact with leading experts** from academia, government labs and industry from around the world. Corporate sponsorships play an important role in the continued success of the conference by helping to support our community in a variety of ways, including supporting student attendees, Women in Nanofabrication (WIN), Startup Contest, and the Student Lunch. Our unique environment will expand your organization's visibility by increasing your exposure to our community which will help build new and long-lasting relationships. Our **Platinum**, **Gold**, **Silver** and **Bronze** tiered sponsorships can provide additional benefits to our exhibitors and sponsors.

Exhibitor and Sponsor Benefits

One (1) complimentary
tech pass per booth

receive 10 additional
drink tickets to pass
around

Prominently displayed
logo on the conference
t-shirt for any additional
sponsorship \geq \$1k

Support of students via
the Industrial Student
Fellowship will be
extensively marketed

Being a sponsor is a great way to **promote your business**. In many cases, sponsors are encouraged to work with the conference coordinator on branding and other promotional opportunities that can increase visibility and interaction with attendees.

Tiered Sponsorships

Four support levels are available to help drive traffic to your booth and increase interactions with the attendees. The support levels are determined by the total contribution to sponsorships that include breakfasts, coffee breaks, and lunches, as well as purchases like booths and branded swag. It does not include registration or banquet tickets.

PLATINUM

Platinum is the top support level. Companies with total contribution sponsorships and other purchases that exceed \$17k before April 3rd, 2026, or \$19k after that will be recognized as Platinum Sponsors. Platinum Sponsors are allowed two marketing slides to be shown during session breaks that showcase their company, including sponsorship level, and to announce exclusive offerings. They can request up to 2 courtesy banquet tickets, and 5 additional booth staff.

GOLD

Gold is the second-highest support level. Companies with a total contribution to sponsorships, and other purchases that exceed \$14k before April 3rd, 2026, or \$16k thereafter will be recognized as gold sponsors. Gold sponsors are allowed one marketing slide to showcase their company during session breaks. They can request up to 1 courtesy banquet ticket and 3 additional booth staff.

SILVER

Silver is the third highest support level. Companies with a total contribution to sponsorships and other purchases that exceeds \$11k before April 3rd, 2026, or \$13k after that will be recognized as silver sponsors. Silver sponsors will have their company logo prominently displayed with other silver sponsors during session breaks. They can request up to 2 additional booth staff.

BRONZE

Bronze is the fourth-highest support level. Companies with a total contribution to sponsorships and other purchases that exceeds \$8k before April 3rd, 2026, or \$10k after that will be recognized as bronze sponsors. Bronze sponsors will have their company logo prominently displayed with other bronze sponsors during session breaks. They can request up to 1 additional booth staff.

Sponsorship Opportunities

Connecting with existing customers and creating new ones is the primary reason for exhibiting at EIPBN. Our unique environment will increase your organization's visibility and exposure to our community and help build new relationships that will last. To this end, incentives encourage attendees to visit the exhibits and attend the oral presentations. Event sponsors are welcome to work with the conference coordinator on branding and other promotional opportunities that can increase visibility and interaction with attendees.

Exclusive Branding will be available for folios, conference bags, banners, lanyards, hotel room keys, water bottles, coffee mugs, and more. Exclusive branding increases both visibility and brand recognition.

Sponsorship Opportunities

NEW!

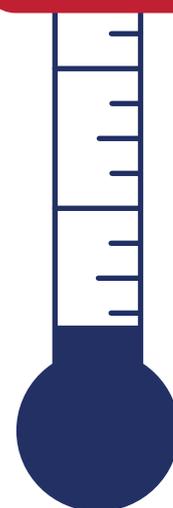

Industrial Student Fellowships support students with registration, short courses attendance, hotel, and banquet costs. Each selected student will showcase the logos of all contributing exhibitors at the end of their presentation. Exhibitors and the supported students are also publicized in the Exhibit Hall. The requested contribution is \$1,000 per student, and exhibitors can support more than one student. We hope to raise at least \$20,000 to support at least 20 students.

Events include sponsoring or co-sponsoring activities like the **Women in Nanofabrication Lunch**, **Student Lunch**, and **Poster Session**. Sponsors will be acknowledged at the beginning of the event, and your logo will be prominently displayed at the event location.

Bar Sponsorships for the Welcome Reception, Poster Session, and Banquet Bar. Sponsorships for these bars will include ten (10) additional drink tickets for the sponsor to pass out at their discretion.

Session Breaks include sponsoring our coffee breaks, ice cream breaks or meal services. Sponsors will be prominently identified at the service site. Sponsored session breaks will be held exclusively in the commercial session area. When possible, the coffee and/or ice cream snack tables will be placed in the vicinity of the sponsor's booth.

Banquet Tickets	2	1	-	-
Booth Staff	+5	+3	+2	+1

Exhibitor Information

The exhibit hall will include the poster session and the snacks+bar area and be adjacent to the technical sessions on the same floor with ample traffic between the technical and commercial sessions via the continuously-open floor plan.

Booth Reservations

A booth can be selected based on location using an interactive map during registration. Booth selection is on a first-come, first-served basis, and booths are priced with an early-bird pricing. Metal sponsors will have priority with an early date reservation opportunity.

Booth Size	10' x 20'	10' x 10'
By 2/6/26	Starting at \$6000, by location	Starting at \$2500, by location
Beginning 2/6/26	All prices increase by 20%	All prices increase by 20%
Booth Staff (Additional booth staff \$200 per person)	4	2
Technical Pass	1	1
Thank You Tickets	4	2
Table, 2 Chairs, Electricity	Yes	Yes

Booth Reservations: <https://eipbn.org/exhibit-sponsor/>

Metal sponsors from EIPBN 2025 will be given priority for EIPBN 2026 booth registration with early buy for them opening **August 22nd**. Platinum opens at 12 p.m. ET, for Gold at 1 p.m. ET, for Silver at 2 p.m. ET and for Bronze at 3 p.m. ET that day.

General Booth Reservations open on **August 25th, 12 p.m. ET**.

All sponsors will have the possibility of selecting their booth and their sponsorship add-ons in one go.

 **Proposed Exhibitor Schedule** (subject to change)

Exhibitor Move-In	Tuesday	May 26th, 2026	12:00 PM–4:00 PM
Show Hours	Tuesday	May 26th, 2026	4:00 PM–8:00 PM
	Wednesday	May 27th, 2026	10:00 AM–5:00 PM
	Thursday	May 28th, 2026	9:00 AM–1:00 PM
Exhibitor Move-out	Thursday	May 28th, 2026	1:00 PM–5:00 PM
